CHAMBERS COUNTY MARRIAGE BOOK NO. 6
APRIL 1865 - JULY 1871

Note: For 12 pages the marriage records are without the name of performing minister nor the day of marriage as if the county clerk left space to fill in later. The handwriting is the same until the middle of page 13. Then records are in another handwriting and name & date are put in. These earlier records have John Appleby as Judge of Probate signing marriage records. Beginning at middle of page 13 where the JP does sign, P. O. Harper is Probate Judge. Maybe new clerk did not get the older ones records, etc. This is during the Souths troublesome times of War Between the States and may be intended to insert later.
