#### MONUMENT TO CONFEDERATE SOLDIERS

To the Memory of the 98 Confederate Soldiers Who Lie  
Buried in this Cemetery

Erected by the Ladies Memorial Association, Auburn,  
Alabama, April 26 1893

Rest on embalmed and sainted dead  
Dear as the blood ye gave  
No impious footsteps here shall tread  
The herbage of your grave  
And shall your glory be forgot  
While fame her record keeps  
Or honor points the hallowed spot  
Where Valor proudly sleeps

Camp Hill, Alabama

by

Robert C. Gorn of Auburn and Mrs. Barbara Taylor of Waverly, Alabama

Location: The cemetery is in the southeastern part of Tallapoosa County, Alabama in the town of Camp Hill. It is in the eastern part of the town, north of Alabama Highway 50. Land records describe it as being in the NW $\frac{1}{4}$  of the SE $\frac{1}{4}$ , Section 16, Township 21 North, and Range 24 East, St. Stephens.

Survey Method: A rough sketch of the area was made on the first visit to the cemetery. Roads into and on the outer boundaries were indicated to better break the area into smaller, well-defined sections. The outline map on page 1 was thus developed. County Road Maps by the Alabama Highway Department and topographic maps of the U. S. Geological Survey were compared.

The survey map is marked in the corner of each section with (S) as a starting point followed by an arrow to indicate direction. At the opposite is an (E) to indicate end of the section. Epitaphs were read into a tape recorder and transcribed. Mrs. Barbara Taylor took the first draft back to the cemetery and made corrections.
